Dear _____

Greetings of Peace !

Let us reconnect with our high school classmates, friends , mentors and neighbors. It is high time we pay respect to our Alma Mater: its halls and columns that stood silent on our shrills and glee; the white and green walled class rooms that contained us to our yearning and discussions; its trees, silent witnesses to our endearments; its slopes, abused by our class practices and "escaping haven" when the terror teacher checks our assignments or when our crushes are sitting at its benches. It is also our way of expressing our gratitude to our mentors, whether living or have joined the other world, they—who molded us to what we are today. We surely miss our Alma Mater and Lepanto!

The organizing committee is now preparing a souvenir program for the upcoming LHS Alumni Grand Homecoming 2011 - *"Reconnecting: Lepanto Oh Lepanto!"* to chronicle this momentous event.

We want to make the souvenir program a keeper. We are inviting you to pledge a page or two—your company logo or your family picture or your greetings. Whatever they are, it's a pleasure. We have attached an advertising contract for your consideration. This is a great opportunity for all of us to reconnect and rekindle friendships, network for business endeavors or help the Association. Your advertisement and page pledges will go to the construction of the alumni building and its various outreach programs. Thank you very much!

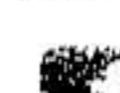

Sincerely yours,

Jennifer Mae Fadlen-Sison
