ENGR. MAGELLAN G. BAGAYAO

Vice President and Resident Manager
Lepanto Consolidated Mining Company
Makati City

Attention: **MR. KNESTOR JOSE Y. GODINO**
Administrative Services Group Manager

Dear Engr. Bagayao:

Firstly, the Lepanto High School Alumni Association, Inc. would like to express its grateful recognition of your unselfish efforts, strong commitment and invaluable contributions to the success of the LHS/LNHS grand alumni homecoming held last April 29 –May 01, 2011. Thank you likewise to the warm welcome and accommodation extended.

Indeed, the event indicated the forging of strong partnership among all stakeholders for a common purpose of providing service to the entire Lepanto community.

We also came to learn about the retrenchment that the company has recently implemented. In this connection, the alumni association has seriously considered the possibility of extending whatever services it can to the affected workers knowing fully that these are alumni of the school if not their children. However, we would like to conduct activities in partnership with the company to ensure greater impact and beneficial effects.

Initially, the association has thought of providing interventions like counseling and financial management orientation to the affected workers should there be a forum for this purpose that the company can set up. The idea of conducting a job fair was brought out but we believe that this should be carefully planned and evaluated before execution.

This communication is to intimate the association's willingness to be of help to the affected workers. Coordination of any specific activity will be coursed through your office. As such, any feed back on this discourse will be highly appreciated.

Sincerely yours,

Ric A. Bayao
President, LHSAAI
